

RALLY TO PROTECT NONPROFIT SERVICES

WHEN

**Thursday, Sept. 7
10:30 am - 12pm**

WHERE

CT State Capitol

**Around the North Capitol Steps
210 Capitol Ave, Hartford CT**

The people of Connecticut need a final state budget –especially people who depend on critical services that support the quality of life in all communities. With every day that passes, the pressure on nonprofits that provide these services grows. As this impasse continues, we move closer to the possibility of permanent program reductions, closures, lay-offs, and harm to our communities. But a quick budget resolution doesn't mean any budget would be acceptable, it must be one that reflects Connecticut's values in caring for those who depend on state-funded services. Join us to tell legislators: services for those in need should be a budget priority!

Please Note: ASL services will be provided and parking accommodations will be made for individuals with disabilities.
