For the thirteenth year, we will once again convene one of our most widely recognized events: 'CT Nonprofit Alliance Weeks at the Capitol' during the 2019 Legislative Session, at the State Capitol/Legislative Office Building in Hartford.

This flagship event provides the opportunity for 100 organizations exhibiting over the course of two, week-long events, to collectively highlight the diversity and impact of work that nonprofits do to enhance the quality of life for all citizens of our state. It is a time to educate policy makers and the public, regarding the exceptional work of each individual organization, and their contributions to the collective impact of all.

Reservations are accepted on a 'first come – first served' basis, so **please register ASAP** to assure participation! While the registration deadline is February 1st, the event will likely fill before this date. You will be notified via email regarding your status ASAP **FOLLOWING the registration deadline**. Your consideration is greatly appreciated, as a great deal of time and effort is involved re: developing the final 'roster.' If you register after the spaces have filled, you will be placed on a priority waitlist.
