

2021 Legislative Session

Virtual Proceedings & Information:

Committee Meeting Information:

- Due to COVID-19 Committee meetings will be conducted on a virtual platform where each member may only participate and vote utilizing the virtual platform. All committee meetings will be publicly broadcasted, and a link provided. The time, date, and weblink to access the committee meeting will be posted on the CGA website no later than the day before at 6pm.

Public Hearing Information:

- Public hearings will be conducted only on a virtual platform and each member may only participate using a virtual platform. All public hearings will be broadcasted and a weblink will be provided on the CGA website ahead of time. No more than ten hearings or meetings are to be conducted on a virtual platform at a time.
- If a technological issue arises, the committee chair may take any action they deem necessary, including but not limited to, recessing in accordance with the rules or cancelling and rescheduling the public hearing
 - The chairperson of the committee will indicate the procedure to submit members of the public names to testify during the virtual public hearing. The submitted names will be included in a lottery that will determine the order of the testimony of public witnesses.
 - Written testimony may be submitted electronically or by mail, in person testimony will not be accepted when the state capitol and LOB are closed to the public
